<b>African Trade Capacity Building for General Agreement on Trade in Services (GATS)</b>	This activity supports local analyst to prepare studies on General Agreement on Trade in Services (GATS) related issues. This process involves data collection, followed by mentoring of African scholars by senior – and sometimes international – experts. Stakeholder workshops are convened at which African analysts, Geneva and capital-based policy makers and resource persons are present. Following stakeholders' workshops, policymakers meet to develop their negotiation positions. In many cases, the authors of case studies serve as advisors to these governments. Results are that local analysts strengthen research and analytical skills and governments use the research papers. Funded and implemented by USAID/EGAT/EG.	WTO Awareness	50,000
